Spring 2019: After School Enrichment Programs

**A sneak peek of NCE Elementary after school programs...
Your child won't want to miss out on the fun!**

There are classes at each school that will appeal to every child.

Beginning **Wednesday, February 20th**, check out our catalog of offerings for the Spring (most classes begin the week of April 1st).

- On the web at: www.needham.k12.ma.us/community_ed
- In the catalogs available at the NCE office (in the School Administration Building, 1330 Highland Avenue)

Afternoon classes begin at the end of the school day. Students are dismissed to the designated NCE waiting area of their school, where they are supervised by the NCE On-Site Coordinator until the class instructor arrives to escort the students to their classroom. Classes are one-hour long, once a week, for 6 to 8 weeks.

* Important Registration Information *

Please note that you will **NOT** be able to use your child's Nutrition Services SchoolPay account to register and/or pay for NCE classes. The NCE Elementary catalog and related emails will include a direct link to the NCE Elementary registration page on SchoolPay, where you will then be prompted to complete all required information and checkout (without using your child's student account). We apologize for this inconvenience, but the student accounts do not enable NCE to capture all of the information we need for each student.

Registration policies: There are no refunds for withdrawals once a registration has been completed. There will be a \$20 administrative fee assessed for all requested changes to original registrations. Classes cancelled by NCE will be refunded in full. Refunds will be made by check from the Town of Needham and may take up to 3 weeks.

Wait List:

If you would like to add your child to a wait list for a full class, please email Carolyn Colonna, NCE Program Director, carolyn_colonna@needham.k12.ma.us. Include the class name, class location, your child's name and your best daytime phone number. If a spot becomes available, you will be contacted right away.

For Students in NEDP:

Students enrolled in NEDP may also register for NCE Elementary programs. They will be escorted back to NEDP at the end of their class.

For students with Special Needs:

NCE Elementary classes are open to all, and every effort will be made to accommodate students with special needs. Please contact Carolyn Colonna, NCE Program Director, (carolyn_colonna@needham.k12.ma.us) if you would like guidance as to which programs may be the best fit for your child.

Scholarship assistance is available. Students who qualify for free or reduced lunch may take one class per session with NCE at a reduced price. Scholarship registrations cannot be taken online. Please contact NCE for assistance at: 781-455-0400 (option 5).

A Note About Hillside

Needham Community Education (NCE) will, unfortunately, be unable to offer after school enrichment classes at Hillside this spring. The spaces we typically borrow to hold our classes will be in flux as the Hillside staff prepares to make the move to the new Sunita Williams School building.

During our spring session, Hillside students are welcome to enroll in after school classes at any of the other four schools. (Please note NCE does not provide transportation between schools).

We will miss holding classes at Hillside this spring but we look forward to providing a host of exciting offerings at the brand new building in the fall!
