School Meal Distribution All Summer Long - Mondays and Thursdays!

Great News!: NPS Nutrition Services will continue to distribute breakfasts and lunches-to-go for children and teens throughout the summer!!

This has been a successful program since school closed due to COVID-19, providing favorite and new school menu items, including milk and lots of fresh fruits and veggies. Recipients DO NOT need to be qualified for free or reduced lunches. ANY child or teen (ages 1 - 20) is eligible to receive the FREE meals.

The meal bag distribution days will change to Mondays and Thursdays, instead of Tuesdays and Fridays, beginning Thursday, July 2. The drive-through format will continue at the High Rock School from 11:00 – 1:00. On each of those two days, a bag will be given for each child in the family, which contains breakfast and lunch meals for every day (including weekend days) until the next service day.

On Monday, each student meal bag will include 3 breakfasts and 3 lunches

On Thursday, each student meal bag will include 4 breakfasts and 4 lunches

An ICE CREAM TREAT will be given on most of the summer days with each bag!

HOURS: 11:00 AM - 1:00 PM Mondays & Thursdays
